

# Playing In Groups

I love going to dance class! There are lots of kids who go to dance class.

**It can be hard sometimes playing and dancing in groups. Some kids might get in my way. Sometimes I may not understand what the other kids are doing or how to join in with them.**

**Sometimes people can find it hard playing and dancing in groups. I can make good choices about being in a in a group. I can take time away from the group if I feel worried or stressed.**

**I can ask the teacher, or the teacher helper how I can join in.**

**The teacher might give me a special buddy or friend to dance with me, in the group.**

**For more stories and information on making dance accessible for everyone
